

Download an Emotion Sensor®

<http://help.emojot.com/help/2019/09/26/download-a-sensor/>

To download a sensor onto an Excel file, click on the **Download survey** as an excel icon in sensor widget on **My Surveys** page.

The screenshot shows a survey widget titled "Customer Satisfaction Survey." with a close button (x) and a refresh button (^). Below the title, it displays "30 Sep 2019 | 1:11pm - Version 0.1" and "Active" in green. The question is "Q1 Are you happy with Our service?". There are three response options, each with a 0% completion rate and a count of 0. The first option is a 😄 emoji, the second is a 😊 emoji, and the third is a 😎 emoji. At the bottom, there is a toolbar with icons for view, edit, download, share, and delete. The download icon (a downward arrow) is highlighted with a red box.
